

CARE FOR THOSE WHO CARE: CHOOSE THE CARE WORKERS' CHARITY AS YOUR CHARITY OF THE YEAR

Care workers are the heart of our communities, providing vital support to those who need it most. At The Care Workers' Charity, we're dedicated to ensuring they receive the help and recognition they deserve.

What We Do:

- **Advocacy:** We champion the voices of care workers, pushing for positive change across the UK.
- **Mental Health Support:** We provide resources, counselling, and initiatives to help care workers cope with the emotional toll of their roles.
- **Emergency Grants:** We offer financial aid to care workers facing crises such as unexpected bills or housing challenges.

Your Impact:

The funds you raise can transform lives:

- £50 can help fund a wellbeing session for a care worker.
- £500 could provide immediate support for a family facing eviction.
- £1,000 might fund several counselling sessions.
- £5,000 could cover multiple emergency grants, helping families stay in their homes.
- £10,000 could deliver large-scale mental health support initiatives across the care sector.

How Your Business Can Help:

- Host fundraising events such as bake sales or raffles.
- Organise team challenges or sponsored activities.
- Make a corporate donation or leave a lasting legacy through planned giving.

Small acts of generosity combine to create incredible change. Scan the QR code, or email Victoria, to learn more and join us in making 2025 a year of impact!
